Our Community Partnership Program

Since 2019, Changing Lives has continued to expand our programs and services in the community with contributions from citizens like yourself. Last year our "I Will Survive" fundraising event raised \$165K from our passionate donors, and we can't wait to raise even more this year!

This year our goal is to raise \$250,000.00 so that we can continue developing our support programs. We are in need of permanent, affordable housing and supportive services like mental health counselors, sober homes and continuum of care for our clients. We hope that you will make a contribution to help us accomplish our goal.

It is our mission to provide assistance to all those who come knocking at our door looking for a helping hand. To achieve this goal, we rely on the generosity and support of individuals.

If you wish to support our cause, you can either give online at <https://changinglives.me>. or by using the forms located on the back of this package. Become a sponsor for our upcoming Boca's Got Talent fundraising event on Friday, April 29th, 2022.

We wish to thank you in advance for your support! Every donation, no matter the size, takes us one step closer to achieving our goals.

Warm regards,

The Changing Lives Team

2ND ANNUAL CELEBRATION

Success Stories

Your donations have helped Changing Lives to changed numerous lives. We have reunited members with their families, send them to detox, sober homes, referred them to job training programs, employment and temporary housing.

These are some of the many success stories:

Roger

My name is Roger Fambro, Mr. B told to do something about my life, I just want to thank him and thank God first and foremost because God guided him to get me off the streets and into Changing Lives. I have been on the streets for over 40 years. I was homeless when I came home from prison 2016. All I knew was drugs and alcohol but today I know a new life and my new life is to stay clean and sober. I trust in God, which is my higher power, to work things out for me. Yes, I have my ups and downs, but I keep on moving and I also want to thank Mr. Batmasian for giving me a job. For the first time in 4 years, I was able to pay rent and I was happy to do that I haven't been able to do that in so long it feels good to me to live like a normal people. I want to thank everybody at Changing Lives because y'all was so helpful you didn't have to do it. Now I have bought a dump truck to make money, bought my house, got married and we are expecting a baby. You got to really want to change your life, but it is up to each individual person to do well. God bless y'all and have a beautiful day and I will always be thankful. Thank you it's a blessing for y'all to do what y'all did.

Success Stories

Latasha White

"I was homeless and addicted to heroin for 8 years, "keyword was". Through my Faith in the Lord and a strong determination to change my life things have gotten so much better. I'm now working, no longer homeless and living not just surviving. If I can do it, so can anyone. Never give up... It says in the Bible, the righteous man falls seven times and gets back up again. Thank you Jesus and a warm heart felt thanks to those who have helped me to get back up again. May the LORD bless each of you.

Sincerely, Tasha W."
